

SHASHANK K

ENTRY-LEVEL SOFTWARE ENGINEER / DEVELOPER (FRESHER)

Phone: +91 9743873982 Email: sharathshashank1986@gmail.com Location: Bengaluru, India

PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Science Graduate seeking an entry-level Software Engineer / Developer role. Possesses a strong foundation in Core Java development, backend database connectivity, and dynamic frontend web architectures. Proficient in OOP concepts, Collections Framework, Exception Handling, Multithreading, JDBC, Spring Core, React.js, and JavaScript, backed by hands-on project experience and award-winning hackathon performance.

TECHNICAL SKILLS

Java & Backend:	Core Java (OOPs, Collections, Exception Handling, Multithreading), JDBC (PreparedStatement, Connection Management, CRUD Operations), Spring Core (IoC, Dependency Injection)
Frontend Web:	HTML5, CSS3, JavaScript (ES6+), React.js
Tools & IDEs:	Git, GitHub, VS Code, IntelliJ IDEA
Platforms:	Windows

PROJECTS

Empowering Career Growth	Major Project
- Spearheaded the end-to-end development of an AI-powered career growth platform from its 1st-place hackathon victory to its final-year project execution. - Served as project leader while single-handedly architecting and building the complete user-facing application using React.js.	
Smart Metro Web Application	Internship Project
- Engineered a responsive Smart Metro web application using HTML, CSS, and JavaScript featuring independent routed web pages, interactive route finder, live fare calculation, and dynamic data integration. - Implemented secure user authentication (login/sign-in flow) and seamless page-to-page routing navigation.	

TRAINING & CERTIFICATIONS

Java & Frontend Development Training — Xworkz	Bengaluru
- Completed intensive hands-on training covering Core Java mechanics (OOPs, Collections Framework, Exception Handling, Multithreading), database connectivity using JDBC, and Spring Core Dependency Injection. - Engineered robust object-oriented Java application modules and integrated them with modern interactive frontend components.	
Interview Preparation & Soft Skills Training — Seventh Sense Company	
Completed specialized curriculum focused on quantitative aptitude, technical communication, professional resume building, and mock technical interviews.	

KEY ACHIEVEMENTS

- 1st Prize:** College-Level Hackathon (2nd Year) – Awarded top honor for exceptional project execution and technical leadership.
- 2nd Prize:** College-Level Hackathon (3rd Year) – Secured runner-up position for innovative engineering concepts.
- Special Recognition Certificate:** HackSprint, Tumkur Engineering College – Honored for outstanding UI/UX design.
- Participation Certificate:** SHE Hackathon, organized at JNNC Engineering College, Shivamogga.

EDUCATION

Government Engineering College, Challakere	Graduated: May 2026
Bachelor of Engineering in Computer Science CGPA: 8.6 / 10	
Shree Basavapriya Science and Commerce PU College, Channagiri	2022
Pre-University Course (Science - PCMB) Score: 83%	
Shree Madhukeshwara High School, Hodigere, Channagiri	2020
Secondary School Leaving Certificate (SSLC) Score: 88%
